COVID-19 UPDATE: Cranmore to Suspend Resort Operations Beginning March 16

We have been closely following developments related to COVID-19 and our top priority is the safety, health, and well-being of our employees and guests. We have made the difficult decision to suspend all resort operations beginning March 16 and will evaluate remaining season operations in the next seven days.

We are modifying resort operations for today, Sunday, March 15. The tubing and Mountain Adventure Park, and all snow sports programs will be closed. The Skimobile Express Quad and South Quad will operate as scheduled from 8:30am – 4pm. We will be offering a modified food and beverage operation in Legend's Grille.

Guests who have pre-purchased spring tickets and product may contact us for a refund at 603-356-5544 ext. 242 or email us at info@cranmore.com.

Thank you for your understanding during this time.
